

Regenerative Farm Network (RFN-NJ)

Annual Network Event

SENDING OUT ROOTS:

Tapping into Regenerative Agriculture

2:30-6 pm, Dec. 5th, 2023, Duke Farms

Time	Details: Agenda subject to change
2:30 pm	Registration Open/Networking time Light snacks available.
3:00 pm	Welcome and Acknowledgements
3:15 pm	Panelist Q&A - Cultivating Community <i>Elise Haring (Haring Family Farm)</i> <i>Tomia MacQueen (Wildflower Farm)</i> <i>John Lima (Lima Family Farms)</i> Regenerative agriculture goes beyond just the land and crops; it's also about the community around you. Your farming is influenced by your community of farmers, family, staff, and markets. Hear from our panelists about how they've navigated their communities and how communities have influenced their farming styles. There will be time for Q&A from the audience as well! What questions about community would you like to ask the panelists?
4:10 pm	Break
4:15 pm	Panelist Q&A - Nature's Influence: Working with Your Ecosystem <i>David Sickler (Sickler's Circle View Farm)</i> <i>Scott Morgan (Morganics)</i> <i>Mike Baki (Genesis Farm)</i> Delve into the practical aspects of balancing farm production with the complexities of the natural environment, all while keeping ecosystems healthy. There will be time for Q&A from the audience as well! What are you curious about when farming while keeping the health of ecosystems in mind?
5:10 pm	Wrap Up Comments, questions, illuminations?
5:15 pm - 6:00pm	Networking Cap off the event and connect with fellow farmers, panelists, and enjoy a laid-back opportunity to socialize and unwind. It's a chance to catch up with your farming community, exchange ideas, and simply relax in good company.
